FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 1250

December 14, 2015

SUMMARY OF BILL: Creates a Class A Misdemeanor, subject only to a fine not to exceed \$1,000, for any person that threatens bodily injury with the intent of preventing any person from engaging in any lawful occupation because the person may be a business competitor.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Given that the punishment for conviction is limited to a fine only, the bill will not result in any local incarceration costs; therefore, no significant increase in local expenditures.
- There will not be a sufficient number of prosecutions for state or local government to experience any significant increase in revenue or expenditures.
